

PowerBulk

Our Chemistry - Your Water

The Powerbulk System consists of packaged blends of raw materials that are easily combined with onsite tap water to make powerful cleaning products.

- Kit Makes 55 gallons of Concentrate Degreaser
- Attacks heavy grease and oil
- Designed for Scrubbers
- Non-Corrosive to Metals

PowerBulk

Our Chemistry - Your Water

TOUGH GREEN Environmental Degreaser is a powerful detergent cleaner formulated to provide powerful degreasing and still be safe for the user and the environment. Tough Green can be used in light and medium duty industrial environments.

Use on all type of industrial floors: concrete, ceramic tiles, epoxy or painted floors. Great for use in warehouses, machine shops, manufacturing facilities or any industrial and institutional facilities.

Tough Green Meets USDA Performance Standards for C-1 Type Products.

PowerBulk is a unique system of highly soluble super concentrated matched liquid components. When mixed with local water, these components produce full strength products.

Starter Kit:

Get started with this program, a starter kit is available that includes 5 gallon Bag-in-Boxes of super concentrate and a new 55 gallon plastic drum. Each starter kit comes with enough chemical to make 55 gallons of ready-to-sell concentrate.

Kit No	Product	Description
909975	Fury	1 BIB each Part A & B
909935	Tough Green	2 BIB's of PB Tough Green

Rapid Station

Dispenses RTU solutions of cleaners or degreasers from 55 gallon drums directly into autoscrubbers or mop buckets at 10gpm.

Tough Green

Environmental Degreaser

Directions:

- 1) Place 55 gallon drum near a water source. Feed water hose into drum bung hole until it touches bottom.
- 2) Turn on water and while water is running, use a funnel and pour two Bag In Box contents into drum.
- 4) Turn off water when level is about an inch from the top of drum. Apply product label to drum and file SDS for reference.

Properties of 55 Gallon Concentrate

- Appearance:** Green liquid, citrus/floral scent
- pH:** 7 - 8 (Neutral)
- Specific Gravity:** 1.0
- Flashpoint:** None
- Foamability:** Low - Moderate
- Hardwater Tolerance:** Excellent
- Detergency:** Excellent
- Biodegradable:** Yes
- Phosphate-Free:** Yes
- VOC:** Meets California's strict VOC limits. Less than 1% VOC when diluted according to directions.
- Storage Stability:** Excellent, 1 year normal conditions.
- Freeze-Thaw Stability:** OK after 3 cycles. Agitate after thawing.
- Dilutions:**
 - Light soil: 1 - 2 oz./gal. (8-15 ml/L)
 - Moderate Soil: 4-6 oz./gal. (30-45 ml/L)
 - Heavy Soil: 10-16 oz./gal. (75-120 ml/L)

HMIS Hazard Rating for Concentrate

Health	1	0-Least
Flammability	0	1-Slight
Reactivity	0	2-Moderate
Personal Protection	X	3-High
		4-Extreme

Packaging

Pack: 909955
 Includes: 2 x 5 Gallon BIB's

Starter Kit: 909935
 Includes: Empty Drum, 2 BIB's

PowerBulk

Our Chemistry - Your Water

Fury Degreaser is a heavy-duty, low-foaming Industrial strength degreaser formulated to attack grease and grime. It is recommended for cleaning concrete floors and other areas where heavy-duty industrial degreasing is required.

- Spontaneously emulsifies oily soil - works fast; effective in any automatic scrubbers.
- Contains NO solvents - safer for workers and the environment
- Innovative formula - produces better cleaning while saving time and labor
- Low Foaming Degreaser. Any foam that is generated in recovery tanks will break quickly, so it will not build-up.

Use only on surfaces resistant to alkaline cleaners. Aluminum, floor finish and other sensitive surfaces may be adversely affected.

PowerBulk is a unique system of highly soluble super concentrated matched liquid components. When mixed with local water, these components produce full strength products.
